2) *I understand that the Mandya Municipal Council has a number of improvement schemes under consideration like the construction of a Town Hall and a market, laying out a new extension for Adi-karnatakas etc., but is prevented by lack of resources from carrying them out. Mandya is a growing town with the prospect of becoming a district headquarter soon, and deserves some consideration in its efforts to provide more amenities. It is, of course, not possible for Government to sanction any large out-right grant for the town now. The Deputy Commissioner may, however, be asked to suggest to the Municipal Council the advisability of considering the question of carrying out from loan funds works like the construction of a vegetable market, a mutton market with a slaughter-house etc., which should be remunerative If the service of debt is assured the Municipal Council might be helped with a loan.*

SIR,

Loan of Rs. 3000/- to the Mandya Municipality for the construction of Vegetable and Mutton Markets.

With reference to correspondence ending with your letter No L. 6461/M1. 36-30-53 dated 3rd February 1931 calling for information on the points noted in the margin, I have the honour to forward herewith in original the report No C. 119/30-31 dated 15th March 1931 from the President, Mandya Municipal Council furnishing the required particulars, and to state as follows -

1. Are the proposed works remunerative? What is the net income realisable therefrom?

2. Is the Octroi Revenue sufficient to cover the equated payment of Rs. 600/- per annum towards the discharge of the Government loan?

3. Is the Municipality agreeable to interest being charged at 5½% per annum and to the debt being repaid in annual equated payments discharging with principal and interest in 6 years?

The Municipal Council have estimated the income from the proposed works at Rs. 350/- annually and are of opinion that the Octroi revenue is sufficient to cover the equated payment of Rs. 600/- per annum towards the discharge of the Government debt. Further, they resolved in their meeting held on 7th March 1931 to pay the interest at 5½% on the sumto be borrowed.

In these circumstances I request that early orders of Government may kindly be obtained for grant of the loan applied for.

8-3-31 President

Office of the Deputy Commissioner
Mysore District
Dated Mysore 6th September 1930

Read Budget estimates of Mauna Mimor Municipality for the year 1930-31

Order thereon

The Budget estimates are sanctioned with the following observations and alterations –

The total receipts under Service heads are estimated at Rs 7250/- The Municipality expect to realize 3200/- under Octroi, Rs 2000/- under taxes on buildings and lands, Rs 50/- under taxes on Vehicles Rs 250/- under Motor tax & taxes and Rs 750/- under market fees. Proposals have been submitted to Government to sanction the levy of taxes on Motor Buses and Motor Cars (through traffic is not taxed) As the President states that there are many houses in the new extension which will be taxed during the year. Consequently the income under lighting tax is also increased Considering the actual realizations for 28 29 and 2930 the expected income is allowed to stand. Prompt steps should be taken to realize the estimated income

Under Public debt the amount that may be sanctioned from Improvement allotment has not been taken into account As in previous years, a sum of Rs 2000/- has been provided since the drainage Scheme has been sanctioned by Government and the Municipal council have agreed to contribute Rs 2000/- annually from Municipal funds

Expenditure

Excluding the amount provided for the drainage Scheme the Municipal council propose to incur an expenditure of Rs 6853/- in other heads.

6 Establishment

The pay of the Municipal office peon proposed to be raised from Rs 10 to 11/- The increase is allowed but it should not be utilised without Sanction of Government for which seperate proposals should be submitted

The pay of the Octroi Muttadar is proposed to be raised from Rs 15 to 20/- on the main ground that the income from Octroi has increased considerably & it is no doubt a satisfactory feature. But the Municipal council will consider the question why the appointment should not be made a graded one (15-1-20) Pending submission of proposals, the additional allotment is allowed to stand

An additional peon on Rs 12/- is provided to attend Octroi work the necessity to employ one is explained Pending orders of Government for which seperate proposals should be submitted the provision is allowed to stand

The increased allowance to the Patel is allowed to remain but it should not be drawn and disbursed without obtaining the orders of Government seperately-

As penurary contribution is calculated at 1/9th of the establishment charges, the allotment of Rs 150/- is reduced to Rs 130/-

Lighting

As electric lights will be supplied, the sum of Rs 750/- proposed is allowed.

Public works

As the estimate for the construction of the

Mubarakhana has been sanctioned, the Municipality Contribution of Rs 1340/- is allowed to stand

Conservency

It is proposed to increase the pay of Sweepers by 1 Rupee each. They are now getting Rs 9/- each The increase is allowed to stand but it should not be utilised without sanction of Government

To remove Street Sweepings the Municipality wants to employ a cart at Rs 15/- ~~per~~ a month. The Proposal is sanctioned temporarily.

The other items do not call for any remarks.

Opening balance - - - -	Rs 9,673/-
Receipts - - - - - - - - -	9 250/-
Total	18923/-
Expenditure - - - - - - -	12937/-
